

2023 WOMEN'S LEADERSHIP LUNCHEON

Sponsorship Opportunities

Learning Today

transforming tomorrow

Since 1833, the School Sisters of Notre Dame have been committed to helping children and adults from all walks of life to reach their fullest potential. We have used different ministries to achieve this goal and have received women into the Congregation from across North America and around the world. We commit to cultivate our own inner peace by developing self-respect and recognition of one's own dignity. We recognize and respect the dignity of each person; live and teach love and compassion for all.

The focus of the 2023 Women's Leadership Luncheon celebrates the theme, *Learning Today – Transforming Tomorrow*. We aim to understand that mental health is a primary health concern that has far-reaching influence on society as a whole. We know that by building relationships and fostering a community approach to mental and behavioral health, we can change lives.

You are cordially invited to be a sponsor for the 2023 Women's Leadership Luncheon at the Wisconsin Club, City Club. Your sponsorship will help those who attend understand that mental health is a primary health concern. In sponsoring this event, you will have the opportunity to network and recognize women and their contributions at home and in the workplace. A variety of sponsorship levels are available. The following pages outline sponsorship levels and benefits associated with each level.

The School Sisters of Notre Dame are grateful to our Presenting Sponsor, Ann Kampeter, for her longstanding friendship and support. Thanks to the generosity of our sponsors, this event continues to be free for all attendees.

Come be part of the 2023 Women's Leadership Luncheon. Learn from women leaders and be empowered to make a difference. The School Sisters of Notre Dame believe that everyone has a gift to share with the world!

We look forward to your sponsorship of the SSND Women's Leadership Luncheon. Thank you for supporting women leaders in our community.
